101% Low Price Guarantee

When you purchase a product from 101 Mobility, you receive our 101% Lowest Price Guarantee. As an example, if you find the identical product for \$100 less, then we will refund you \$101.

Brick & Mortar Authorized Dealers

If you find a lower price on an identical, in-stock item from an authorized dealer in our local market area, then inform us within 30 days from time of purchase, and we will refund 101% of the price difference to you. You must supply a copy of the ad to our office for validation. This may involve our Sales Consultant or Customer Care Manager contacting the authorized dealer. We determine our local market area.

Internet Authorized Dealers

101 Mobility reserves the right to only price match products from an authorized internet dealer. Amazon and eBay are not authorized internet dealers, therefore 101 Mobility reserves the right not to price match products listed on their websites.

Our price match guarantee doesn't apply to:

- Non-authorized dealers, both brick & mortar, and internet
- Discontinued, clearance, close-out or going-out-of-business sale merchandise
- Custom or special order products
- Volume or wholesale discount pricing
- Open-box merchandise, reconditioned, refurbished or previously discounted products
- Service such as delivery or handling charges and installation pricing
- Authorized dealers advertising outside of our local market area
- Authorized dealers coupons, including percent-off and dollar-off, free sales tax, and buy 1 get 1 free
- Misprinted advertised pricing from an authorized dealer based on typographical error or misprint
- Pricing from membership-based retail wholesalers
- Pricing from auction and bid websites
- Authorized dealer credit terms and finance offers
- Items previously purchased from 101 Mobility outside of the 30-day 110% Price Guarantee period
